Comments:

My name is Dave Tascarella. I am the lead recruiter at PSU for engineers for Dow Corning. We have an open position for a post-doc Chemist or Materials Scientist. If you are aware of anyone in your department who might be a good candidate, please forward this to them. They can contact me, but will need to apply via the www.dowcorning.com/careers website. If they do, they should reference me in their application. Sincerely, Dave Tascarella
