

STEM-H WRITING RETREAT

Mon., March 4 – Wed., March 6
10:00 a.m. to 3:00 p.m.

Fletcher L. Byrom Earth and Mineral Sciences Library, 105 Deike Bldg.

Stop worrying and start writing! This retreat is designed to provide STEM graduate students and postdocs with a community of support along with loosely structured time to work individually on theses, dissertations, or other writing projects. Accelerate your progress with personalized research and writing support from STEM librarians.

Lunch, coffee, and snacks will be provided.
